## Building Blocks Preschool

A ministry of Trinity United Methodist Church. At Building Blocks we are committed to giving your child the best start on life by laying the foundation for a lifetime of learning through spiritual and intellectual growth.

## Frequently Asked Questions:

### What ages do you accept?

We accept children 3 years old– school age. All children must meet age requirements by September 1st.

### What expectations do you have of families?

- Parent involvement is very important to our program.
- We expect families will participate in Parent/teacher conferences, as well as activities and programs throughout the year.
- We are a non-profit preschool and we rely on tuition to be paid on time

### How do you communicate with parents?

A parent meeting is held in Aug. to discuss program policies, procedures, curriculum, and additional information. You will receive a yearly calendar, a monthly newsletter and calendar.

Class group message threads will be utilized as well as postings on our website and Facebook page.
